ALL-COUNTY LETTER NO. 75-171

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: IMPLEMENTATION SCHEDULE OF PROPERTY REGULATIONS

REFERENCE: EAS 42-200, ET SEQ.

The following is in response to inquiries concerning accountability for applying the revised property regulations.

These regulations were effective May 23, 1975, in all cases. Eligibility determinations in all applications, restorations, reapplications and annual redeterminations after that date are to be based on these new regulations.

In ongoing cases, however, the required review must be administratively feasible. Therefore, redeterminations of property eligibility in current cases must be made whenever the county receives information, either on the WR 7 or from any other source, which indicates that a review of eligibility is necessary. Other current cases are to be reviewed as soon as administratively possible, but not later than the next annual redetermination due date.

Case reviews by Welfare Program Evaluation Branch will be conducted in accordance with this policy. Cases in which unreported changes in property occur will be reviewed in accordance with the new regulations.

Sincerely,

GARY D. MACOMBER
Deputy Director
